World Soil of the Year 2025

Soil Literacy and Awareness Raising Workshop and WSY2025 Picnic

Preliminary programme

Venue: University of **Miskolc** (UM) and **Püspökladány** Experimental Station and Arboretum, University of Sopron Forest Research Institute (SOE-ERTI)

Date: 12-14. November 2025.

Programme:

Day 0 (12. November 2025):

18:00-21:00 Informal welcome wine party (Miskolc Kis-Avas cellars, depending on the number of participants)

Day 1 (13. November 2025) **Soil Literacy and Awareness Raising Workshop (UM)**

12:00-13:00 Registration, *welcome Sandwich*

13:00-14:00 Plenary presentations

14:00-18:00 Session work, presentations, posters

Day 2 (14. November 2025) **WSY2025 Picnic (SOE-ERTI)**

7:00 Start from UM by bus. Breakfast bag on the bus.

9:00-9:30 Arrival at Püspökladány and welcome speech by SOE-ERTI

9:30-9:50 Introduction of the soil forming environment of WSY2025

10:00-12:00 Visiting the representative profiles of the soil association around WSY2025 (by horse carriages)

12:30- Picnic, Gulash Party, wine, informal conversations

14:00- Optional programme: visiting the Hortobágy National Park (Unesco World Heritage site)

Travelling from Miskolc to Püspökladány is optional: by workshop's bus or by own cars. The bus will drop the participants at the railway station of Püspökladány after closing the event (direct train line to Budapest) or will take the rest of the participants back to Miskolc. Train service to Budapest and to Budapest Airport is convenient from Püspökladány. There are also direct trains from Miskolc to Budapest.

Participation on the events is free of charge, but the travel to Miskolc and the accommodation will be paid by participants.

Registration to the event: <https://forms.gle/hDsjL93jL8jQEoQg5>
